## Auditor's Responsibilities for the Audit of the Standalone Financial Results :

Our objectives are to obtain reasonable assurance about whether the Standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and toissue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also;

- Identify and assess the risks of material misstatement of the standalone financial results, whether
  due to fraud or error, design and perform audit procedures responsive to thoserisks, and obtain
  audit evidence that is sufficient and appropriate to provide a basis for ouropinion. The risk of not
  detecting a material misstatement resulting from fraud is higher thanfor one resulting from error,
  as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override
  of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design auditprocedures that are appropriate in the circumstances, but not for the purpose of expressingan opinion on the effectiveness of the company's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basisof
  accounting and, based on the audit evidence obtained, whether a material uncertaintyexists
  related to events or conditions that may cast significant doubt on the Company's abilityto
  continue as a going concern. If we conclude that a material uncertainty exists, we arerequired to
  draw attention in our auditor's report to the related disclosures in the financial results or, if such
  disclosures are inadequate, to modify our opinion. Our conclusions arebased on the audit
  evidence obtained up to the date of our auditor's report. However, futureevents or conditions
  may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the financial results represent the underlyingtransactions and events in a manner that achieves fair presentation.
